

<div>     </div>	
<div> <h2>Heat Pump Water Heater</h2> </div>	
Model	HP250M7-F9
Volume	246L
Protection class	IPX4
Assigned water pressure	0.7MPa
Electrical connection (voltage / frequency)	220V-240V/50Hz
Maximum total power by DWH	2035W
Average power input by HP	320W
Maximum power input by HP	535W
Power input by electric backup	1500W
Refrigerant	R290 / 0.15kg
Maximum pressure of refrigerant	3.3MPa
Global Warming Potential (GWP)	3
Equivalent CO2	0.45kg
Number of manufacturer	2025ED
Serial number	
<div> <p>MADE IN P.R.C.</p> <p>Manufactured By Haier</p> <div>     </div> </div>
